The New Steine & Gullivers are delighted to accommodate our corporate clients in our newly launched conference and events facilities.

The rooms stand out for their contemporary design, natural daylight, stylish furniture and unusual lamps, and all are able to adapt into smaller, more intimate private dining venues.

All our rooms have direct dial telephone, free wireless internet access, bottled mineral water, paper pads and pencils, flipcharts and access to televisions (if required).

With packages to suit room hire only meetings or overnight stays, whether for meetings or private dining, you can relax in the knowledge that you will be looked after from start to finish.
